Niveau:

ALL LEVELS INCLUDING SPECIALISED ADVANCED SUBJECTS

Details:

I work very hard to prepare my lessons as I know what students expect from a private tutor. I am a responsible and hard-working person and I am very good at translating and interpreting between different languages, specially Spanish and English so I know these language at a very high proffesional level what allows me to teach specialised subjects. I am pushing when students asked me to make them work hard in order to get better results in Spanish. I can provide students with a lot of reliable materials for class and self-study after the Spanish tuition. Besides, I am patient and enthusiastic
.
