Details:

My name is Juliane, I am from Berlin and I am giving online German lessons

My classes are individual classes via skype and last one hour. We can talk about subjects that you are interested in, you can also chose a specific grammar point, I can tell you something about cultural aspects, anything you want. The lessons will be totally adapted to your needs and wishes

I have been giving individual lessons since 2004 and online lessons since March 2010 and I honestly think that it is a great way to learn. I could accomany your learning process, send you exercises from time to time, correct your texts and spelling, and we can make it work! On my website, there is also a learning platform to which I will upload all the material we worked through, including German songs, powerpoint presentations, grammar explanations and the corrections to your homework

The rates vary between 19 and 26 USD
If you are interested in a free 30 minute trial lesson, please let me know

Bis bald

Juliane
